The Senate approved the benefit of R\$ 600 to informal workers, and R\$ 1,200 for women who are heads of family. Once approved by President Jair Bolsonaro, the benefit will be paid for three months by Caixa Econômica Federal, Banco do Brasil, lottery shops and/or post offices. A new project with the same specifications should be prepared by the Senate with the aim of expanding the benefit also for taxi drivers, artisanal fishermen, underage mothers, indigenous people, truckers and musicians.

Johnson & Johnson has announced that it may launch a COVID-19 vaccine by January 2021. Still under development, the experiment is expected to be tested on humans from September and launch into the market at a low cost by January 2021. Other companies are also in this race, such as Moderna and Sanofi.
